PRESS RELEASE

**FROM THE DELEGATION OF GRUN
BEFORE THE NEGOTIATION TABLE
Monday, April 29, 2019**

The Delegation of the GRUN to the Negotiating Table greets the Nicaraguan Families at the beginning of the Week, which also marks the beginning of the month of May, an important time in the life, culture and productive traditions of the Nicaraguan countryside.

The Delegation of the GRUN informs our People and the International Community that, as each day, it arrived on time to the INCAE Offices, to wait for the Counterpart to resume this Space for Conversation that the Nicaraguan Families demand, to consolidate Stability, Security, Work and peace.

The Delegation of the GRUN confirms once again the commitment of the Government and the Nicaraguan State to comply with what was agreed and to advance, according to the accepted Agenda, towards new Agreements.

We ratify the inalterable Will and Decision of the Government of Nicaragua, and of the Nicaraguan Families, to continue seeking Reconciliation, Fraternal, Tranquil and Harmonious Coexistence among us, as well

as the recovery of the Good Direction that our Country had, in the Fight against Poverty, and in Development with Equity, Democracy, Justice and Peace, for All.
