**2020 A YEAR TO CONTINUE ON GOOD PATHS OF LIFE !**

In these Days of Conclusion of a Period in our Lives, which we refer to as a Year, we are all filled with the Best of Wishes, Illusions and Expectations for the New Times that come to us and that we are ready to inhabit with a Positive Spirit and legitimate Aspirations.

At the end of this 2019 that has been of great efforts and achievements, we live grateful to God for the Confidence that fills our Hearts with the Strength to continue working the fertile Fields of our Homes, Families and Communities, cultivating and harvesting Love, Harmony, Reconciliation and Peace with Dignity and Wellbeing for All.

In the Powerful Name of Jesus, the Families and the People in Christian Solidarity, of our Nicaragua that flourishes in Blessings, Work, Prosperity, Joy and Victories, we embrace one another as Brothers and Sisters and we dedicate all of our Energies, to build, to work, as Artisans, so that Tranquility will fill our Souls, and we will know how to continue to find all together, the Best of Paths.

With Christian Sensitivity and Commitment, we prioritize those who remain vulnerable due to poverty; those who suffer, those who are ill and those who need comfort. Indifference will never subdue us. May the challenges not bend us! May the Supreme Intelligence of Love, as a Precious Gift of God, mobilize us to help, protect, support and care for one another, so that we may live in accordance with our Spiritual and

Human Condition, which must be a Powerful Light, illuminating and creating Worthy and Just Conditions of Life, among All, for All and for the Good of All.

Nicaragua, the Land of Lakes, Volcanoes, and exceptional, brave, believers and reanimated Families; that every day by Faith, Moves Forward, **Always and Forever**, with the formidable Breath of all Nicaraguans who love Nicaragua and who want a Peaceful Future for Our Motherland.

We care and love for one another. Therefore, we carefully and jealously guard our Natural and Cultural Treasures, as well as our Family and Community Values in this Common Home, with great History and Traditions that teach us so much.

May our End of Year Embrace the Beginning of a New Era consolidated every day in the assurance that this Land of Patriots and Heroes, will remain Free, because God disposes all Peoples, for Freedom, Dignity, Equality and Growing Fraternity, which redeems, defends and saves us All.

From this **Always Blessed and Free Nicaragua**, we send a Greeting full of Good Will and Work, for Reasonable Dialogue and a Peaceful and Better World, in every way, to all the Governments and Peoples of the World. Humanity deserves the greatest Efforts and Prayers, to live with Respect, Understanding, and Peace.
