Dear Sister,

It is with great sadness that we have learned about the floods that have occurred in various regions of your country, causing the loss of at least 40 valuable lives and numerous missing persons, as well as great destruction that has forced the displacement of thousands of German Sisters and Brothers, who have lost their homes and belongings.

On behalf of the People and Government of Reconciliation and National Unity of the Republic of Nicaragua, and on our own behalf, we wish to convey our most sincere solidarity to the families living in the States of North Rhine-Westphalia, and Rhineland-Palatinate, as we pray for a speedy return to normalcy.

In these difficult times caused by the onslaught of climate change, rest assured that the People and Government of Nicaragua will always remain in close fraternity with the Noble People and Government of Germany.

Receive from our Nicaragua, Always Blessed and Always Free, our warmest regards and the affection of all the Nicaraguan Families.

**Rosari Murillo**
